

FRENCH

GENERAL OBJECTIVES

The aim of the Unified Tertiary Matriculation Examination (UTME) syllabus in French is to prepare the candidates for the Board's examination. It is designed to test candidates' general ability to:

1. assess written comprehension in French;
2. apply the principles governing the structure and use of written French;
3. identify how French sounds work in speech production;
4. examine the culture of Francophone West Africa and France in relation (where possible) to home country.
